Reissue Applications

Declaration

The reissue declaration does not address claims 8-9 and 11-13 and 15-20, 22-24 and 26. Therefore, these claims represent corrected errors that are not covered by any reissue declaration of record. Additionally, amendment C was filed after all reissue declaration of record; thus the changes made therein do not appear to be covered by any reissue declaration of record. A supplemental reissue declaration is required.

Claims 1-9 and 11-13 and 15-20, 22-24 and 26 are rejected as being based upon a defective oath/declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."
